Re: Ellsworth Industrial Park Superfund Site

Dear Mr. Del Rosario:

The Downers Grove Park District is in receipt of the Data Evaluation Summary Report for the Ellsworth Industrial Park Site.

Because the Park District does not have qualified staff to interpret the data I am inquiring on behalf of the Park District whether there is any information contained in the data that would prevent the Park District from moving ahead with initial planning for possible development of the site.

Any information you can provide would be appreciated. The Park District would like to begin the initial planning by October 15, 2004.

Sincerely yours,
